

The CRI Promise

When you purchase a CRI solution, not only will you get local CRI support, but we promise you'll love our service, or we'll migrate you to another unified communications platform and **waive any early termination charges** for your CRI agreement so long as you purchase the new solution through CRI.

Now that's a real promise no other Communication solution provider will ever make!

"THE ONE EASY CHOICE"

- ONE** Intelligent Communications Platform
- ONE** Collaboration & Productivity Solution
- ONE** Seamless Worry-Free Experience
- ONE** Low Monthly Rate
